

July 2011

Dear Parent/Guardian

**Home to School Transport 2011/12**

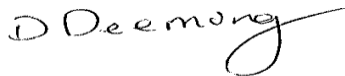

Please find enclosed an information leaflet about the home-to-school transport arrangements from September 2011. The school subsidises this service but this year we are also able to offer an additional 20% discount to eligible students.

If you would like to book a place for your son/daughter please either complete and return the booking application side of the attached form together with the relevant payment or, if you think your son/daughter may be eligible for a 20% discount please only complete and return the discount application side of the form.

Please ensure that you send the completed form back as soon as possible as places get booked up very quickly and are allocated on a first come first served basis.

Passes are only available for purchase from the school and the payment options are explained in our leaflet. Your child will be issued with a pass for the Autumn Term upon receipt of the appropriate payment.

Yours sincerely
