Assistant Headteacher applications

Dear Colleague,

Thank you for your interest in the above post at Great Wyrley Performing Arts High School. The successful candidate will be joining us at an extremely exciting and interesting point in our development.

This position is available following the retirement of the previous post holder. This role offers significant opportunities for professional development and you will be joining a hard-working team of professionals who are committed to securing the best educational outcomes for the young people of our local community.

We are looking for a colleague to join our team and to lead on curriculum development in all key stages. An ability to articulate and demonstrate strategic thinking in the deployment of staffing and other resources and the way in which you expect to help lead developments at Great Wyrley over the next five years will be at the heart of our discussions during the interview process.

As a Headteacher who was appointed in September 2004, I am fiercely proud of our school and want to work with people who care about education and who have genuine empathy with the lives and preoccupations of young people in our local community.

Thank you for taking the time to apply. We do appreciate the work that this entails. Should you have any questions regarding the post itself or the application process or if you would like to visit before applying then please do not hesitate to contact us here at school.

Good luck!

**Chris Leach
Headteacher**
